January, 2017

Dear Coach or Manager:

Freeport International Baseball Invitational will host international girls' softball teams again this year. Our Softball International coincides with our baseball invitational - the week of July 17 - 22, 2017. Information on that is enclosed, please pass on to any teams in your area who might be interested. I am also enclosing information on our Junior Tournament.

We try very hard to provide host family housing for international teams, but cannot guarantee it. Host families will feed their guests breakfast and often dinner - depending on when the team's last game of the day is held. Uniforms will be washed. Sometimes host families get together and do picnics, swim, etc. Please be advised we cannot guarantee host homes, but the earlier you confirm participation, the more chance we can do that. If host housing is not available, we can give you suggestions on motels, etc.

Transportation - if you fly into Pittsburgh airport, we will pick you up and take you to your hotel or host home and also return you to the Pittsburgh airport when the event is over. For transportation while you are here, we will bus you to and from games each day. However, you may wish to rent vans or cars - this gives you the flexibility to visit other sites in the area. We can provide you with names of rental agencies.

During the week you will play about two games a day, at various fields in our area. You will meet and make friends with other lovers of softball from many parts of the world.

We hope that you will consider being a part of this wonderful event in Western Pennsylvania.

Please contact me at 724.525.9078 or dmb5@consolidated.net for additional information.

I am also including a letter directed to baseball teams - please pass on to any baseball teams in your area who might have an interest in attending.

Cordially yours,
Freeport International Baseball Invitational
