January, 2017

Dear Coach or Manager:

Freeport International Baseball Invitational will host international girls' softball teams again this year. Our Softball International coincides with our baseball invitational – the week of July 17 – 22, 2017. Information on that is enclosed, please pass on to any teams in your area who might be interested. I am also enclosing information on our Junior Tournament.

During the week you will play about two games a day, at various fields in our area. You will meet and make friends with other lovers of softball from many parts of the world.

We hope that you will consider being a part of this wonderful event in Western Pennsylvania.

Please contact me at 724.525.9078 or dmb5@consolidated.net for additional information.

I am also including a letter directed to baseball teams – please pass on to any baseball teams in your area who might have an interest in attending.

Cordially,
Dave Brestensky, Vice President
Freeport International Baseball Invitational
